BACK TO BASICS

ONES

Lord God, I thank you for giving me
A keen sense of what is right
And a diligent desire to live up to my ideals,
Help me to be patient and forgiving.
Teach me to be tolerant of mistakes
Rather than always finding fault with things.
Show me how to accept what is good enough,
And, above all, how to lighten up,
Enjoy life and gently relax in Your love.

TWOS

Lord God., I thank You for giving me
The gift of a generous heart,
Help me to understand that
Your love for me does not depend
On what I do for other people.
Show me how to minister to
The needs of others without losing sight of my own.
Allow me to feel in my own wounds
The healing power of Your love.

THREES

Lord God, I thank You for creating me
In Your image and for blessing me
With the drive and energy to succeed.
Help me to realise that achievement isn't everything.
And that failure can often provide
More truth than success.
Show me how to get beneath
The surface images I love to create
To the even more beautiful centre within.

FOURS

Lord God, I thank You for giving me
A keen eye for beauty and
A special sensitivity to the human heart.
Show me how even the most ordinary
And every day realities are filled
With the wonder of your present moment
And to appreciate that my tears
And laughter, joy and pain,
Are part of your loving plan for the world.

FIVES

Lord God, I thank You for giving me
An enquiring mind and the gift of discernment.
Help me to reach out more to people,
And to trust the wisdom
That comes from the heart.
Give me the generosity
To share my insights with those I meet,
And the courage to involve myself
In their daily concerns.

SIXES

Lord God, I thank You for giving me
A great respect for the law and
The gift of loyalty to friends.
Help me to understand more deeply
How much You really love me .
Safe in the knowledge of this love
And relying on your tender care,
May I have the courage to overcome my fears and become
More trusting of myself and others

SEVENS

Lord God, I thank You for giving me
A childlike enthusiasm and the ability
To enjoy the good things in life.
Show me how to embrace everything
With temperance and moderation.
Help me to see that running away
From pain does not lead to happiness.
Give me the wisdom to discover that joy is to be found,
Not in the superficial, but within the depth of my own heart.

EIGHTS

Lord God , I thank You for giving me
A tremendous passion for life, a powerful sense of justice
And the energy to get things done.
Help me always to protect the weak
And champion the oppressed.
Give me a heart filled with compassion
So that I may experience the strength
That comes through gentleness
And the respect that comes through love.

NINES

Lord God, I thank You for giving me
The gift of gentleness and a profound tranquillity of heart.
Help me to own my deepest feelings
Without losing my inner peace,
And to appreciate my own importance
Without ever selling myself short.
Above all show me how to cope
With life's conflicts and problems
With a confident trust in Your love.
